Reliance Building

The Reliance Building is a skyscraper located at 1 W. Washington Street in the Loop community area of Chicago, Illinois. The first floor and basement were designed by John Root of the Burnham and Root architectural firm in 1890, with the rest of the building completed by Charles B. Atwood in 1895.

Église Notre Dame du Raincy —

Le contexte de la construction. Au début du XX e siècle, Le Raincy, dont la population de 10 000 habitants a plus que doublé en quarante ans, est une paroisse de banlieue dont l'église est trop petite.
