The Leadership Pipeline : How to Build the Leadership ...

An updated and revised version of the bestselling The Leadership Pipeline the critical resource for how companies can grow leaders from the inside.

The Leadership Pipeline: How to Build the Leadership ...

An updated and revised version of the bestselling The Leadership Pipeline – the critical resource for how companies can grow leaders from the inside. In business, leadership at every level is a requisite for company survival. Yet the leadership pipeline –the internal strategy to grow leaders – in many companies is dry or nonexistent.

The Leadership Pipeline: How to Build the Leadership ...

One of my most favorite books on management. A bit dry at times, but I've read it after a very strong recommendation. It systematizes in a similar way many organizations' engineering ladders are designed for showing level appropriate work, and helping role changes be successful value transitions

The Leadership Pipeline: How to Build the Leadership ...

Together, these authors have more first-hand experience in leadership development and succession planning than you're likely to find anywhere else. And here, they show companies how to create a pipeline of talent that will continuously fill their leadership needs-needs they may not even yet realize. The Leadership Pipeline delivers a proven ...
